If possible please quote duration of service to nearest 10 minutes to allow ringers to arrive promptly. Please consult with your Priest for this information. Note that if the wedding is excessively delayed beyond the time quoted, there is a possibility that the bells may **not** be rung at all and in such a circumstance **no refund** will be issued. It is imperative that the correct information is supplied as ringers may be required at other Services in and around Cambridge.

The bells will be rung for about 20 minutes following the Service as Bride and Groom leave the Church (normally, this will be via the Lensfield Road entrance).

The charge for the bells is £300 payable in advance allowing **four weeks** notice.

Payment can be made by cheque written to the order of '**OLEM Bellringers**' and included with this completed form and posted to the following address:

Mr P S Seaman, 51 Cambridge Road, Great Shelford, Cambridge, CB22 5JJ.

Alternatively, a **BACS transfer** to Barclays Bank Ltd, Sort Code 20-17-22, Account number 40338346 quoting reference number **6030502110** and the completed form emailed to paul.s.seaman@outlook.com or posted to the address above.

A receipt and confirmation will be issued to you prior to the day.
