Jonah 3:1-5.10 The story of Jonah (whale and all) does not even pretend to be historical. For one thing, it takes about ten minutes to walk across the ruins of Nineveh – not three days! The story is a joke by Jews against Jews who think they alone can be saved: Jonah the Jew tries to run away from God, whereas the gentiles at Nineveh repent as soon as they hear God's message - even the animals wear sackcloth! This is like the story about St Peter showing Protestants round heaven: St Peter points to a high wall: 'Hush! The Catholics are behind there. They think they are the only people here!" This reading is chosen to pair with the call of the disciples because of the immediacy of their response: the Ninevites and the disciples take the message to heart without hesitation.

Corinthians 7:29-31 The earliest Christians were very aware that the Resurrection of Christ ushered in the last period of the world. With the fulfilment of God's promises in Jesus' death and resurrection everything important had happened. They believed that the end was imminent, and it was urgent for everyone to get ready. What must we think of this attitude two thousand years later? Yes, it is urgent for every individual to respond to God's call, and there is no time to lose. Every decision counts, every step along the path leads in one direction or the other, closer to God or further away. However, this is an instance where we must consider the message of the Bible as a whole, where one teaching balances another. "The Kingdom of God is close at hand!" does not mean that the world will end tomorrow. Matthew's gospel is quite clear that there is time before the last judgment to practise good works of prayer and generosity. At the last supper Jesus teaches that his disciples have a task to do in the world, guided by the Holy Spirit. So Paul is not teaching here that Christians should 'down tools' and sit waiting for the end, but that we must not absorb the values of those around us who think that the supermarket, the sports centre and the holiday cottage are the only realities worth thinking about; for us the Kingdom and its values are paramount.

Saint Mark 1:14-20 What is going on? We had last Sunday the story of the first two disciples joining Jesus. One of them was St Andrew, the other unnamed. Now we get another story, in another place, of other first disciples being called. So the Church underlines, two weeks running, the importance of Jesus' new community. The first thing he does is call disciples. He can't do everything on his own, and that is the point of the Church. He calls disciples to make a new people, a new Israel - old, young, middle-aged: we all have our part to fill in Jesus' play. Tired old people, busy parents, lively youngsters - each of us can make a unique contribution, especially since Jesus has chosen us himself. An odd choice, some of us! What did he want ME to do in the new family of Jesus?

The two different versions of the calling of the disciples show that at least two different people told this story. When two people tell the same story, there are bound to be variations. The place didn't matter, or the order in which the disciples were called. The point of the story was the call, the response and the companionship, the working together with the Lord

Correction to an Article in the recent Diocesan Newspaper entitled "Dozen East Anglia churches benefit from grants boost." The article mentioned that OLEM received a grant of £55,476.37 but it was not a grant given to us in 2023. Rather the Listed Places of Worship Grant Scheme returned the VAT which we paid on work which was carried out in 2021-2022 when we installed the new lighting system, serviced the organ, upgraded the sound system and cleaned the large painting above the altar.—Slightly different from the article which could be misleading.

Please accept our deepest gratitude to those who have already upgraded their offerings and those who have volunteered their time and talents.

My Parish Commitment pamphlets are available on the website and at the back of the Church table for those interested in upgrading their offerings and volunteering their time and talents. It is also available on the Parish Website under "Newsletters". Please contact the Parish Office on 01223 350787 or email: olemoffice@rcdea.org.uk for more information.

RESTORATION PREDICTION In the early part of 2024 we hope to have a prediction for the necessary work on the church to replace finials and crockets that have been taken down. We will keep you informed. Thank you for your continued generosity!

PARISH PRAYER O God, through Baptism you have made us your children, heirs of heaven and members of the Church. Make our parish a family of one heart and mind in love towards you. Grant that our common life and work may be an example to all about us. Guide our Rector and assistant Priests in their work along with all those involved in ministry. Acknowledge the intercessions of Our Lady of The Assumption and The English Martyrs, our patrons; and keep us secure in your love. We ask this through Christ our Lord. Amen.

FOR THE SICK

God our Father, Creator of the world, almighty and merciful, out of love for us You sent your Son into the world as the doctor of our souls and our bodies, look upon your children who, in this difficult time of confusion and dismay in many regions of the world, turn to you seeking strength, salvation and relief, deliver us from illness and fear, heal our sick. Do not abandon them in the moment of trial but deliver them from all evil. We ask this through Christ our Lord. Amen.
